Filing Description:

The attached informational filing is submitted to clarify the use of the form FIC291B, attached to SERFF tracking number ALSB-125634960, State tracking number 39119, approved on June 3, 2008 by your department. Our original cover letter referenced that FIC291B would be used with form series LU10936. We wish to amend the description that the application will also be used with form series LU10931 (also approved on 6/3/08). The FIC291B form number has not been changed, as the form has never been used in the market. This clarification does not impact any other explanation of the form FIC291B and it does not change the form in any way. Other than referenced, the previously approved filing remains the same.
